

SBC Policy Statement on Safeguarding

Our vision

The vision statement of Streatham Baptist Church is:

“We are a multi-ethnic, intergenerational church committed to worshipping Jesus together, empowered by the Spirit, to serve one another and the communities represented throughout our congregation and beyond”.

Regarding Safeguarding, SBC’s desire is to provide a safer environment for all members of the church community to enjoy.

In fulfilling this vision, we:

- Welcome all, including Children, Young People and Adults at Risk into the life of our community
- Run activities for the church community including Children, Young People, and Adults at Risk
- Make our premises available to organisations working with Children, Young People, and Adults at Risk

Please note that the SBC Policy Statement on Safeguarding is included in the Full SBC Safeguarding Policy:- It is essentially an extract from or introduction to that document.

Our safeguarding responsibilities

The church recognises its responsibilities in safeguarding all Children, Young People and Adults at Risk, regardless of gender, ethnicity, or ability.

As an SBC family, we commit ourselves to the nurturing, protection, and safekeeping of all associated with the church and will pray for them regularly. In pursuit of this, we commit ourselves to the SBC safeguarding policy and to the development of sound procedures to ensure we implement our policy well.

- **Prevention and reporting of abuse**

It is the duty of the SBC family to help prevent the abuse of children, Young People and Adults at Risk, and to respond to concerns about the well-being of Children, Young People and Adults at Risk. Any abuse disclosed, discovered, or suspected will be reported in accordance with SBC safeguarding procedures. SBC will fully co-operate with any statutory investigation into any suspected abuse linked with the church.

- **Safer recruitment, support, and supervision of workers**

SBC will exercise proper care in the selection and appointment of those working with Children, Young People, and Adults at Risk, whether paid or voluntary. All workers will be provided with appropriate training, support, and supervision to promote the safekeeping of Children, Young People, and Adults at risk.

- **Respecting Children, Young People and Adults at Risk**

SBC will adopt a code of behaviour for all who are appointed to work with Children, Young People, and Adults at Risk so that all Children, Young People, and Adults are shown the respect that is due to them.

- **Safer working practices**

SBC is committed to providing an environment that is as safe as possible for Children, Young People, and Adults at Risk and will adopt ways of working with them that promote their safety and well-being.

- **A safer community**

SBC is committed to the prevention of bullying. SBC will seek to ensure that the behaviour of any individuals who may pose a risk to Children, Young People and Adults at Risk in the community of the church is managed appropriately.

Safeguarding contact points within our church

The church has appointed the following individuals to form part of the church safeguarding team. Our preferred contact method is **via email** as this provides us with a written record of the concern. The following persons can all be contacted by emailing:

safeguarding@streathambaptist.com

Or by calling the 24hr designated safeguarding mobile number. The church office can also be contacted on 0208 769 1515 during working hours (commonly Monday – Friday from 10am – 3pm) on the landline shown. The mobile is active 24/7 however you may need to leave a voicemail with your contact details and we will return your call within 24hrs.

07957 674 012

Where the matter is urgent and an individual is in imminent risk, please call 999. If you do call 999 or social services directly, please can you inform the Designated Safeguarding Person that you have done so and pass on details of the incident.

Designated Person for Safeguarding (DPS)

- **Josephine Sheyin** (phone number as above)

The DPS will advise the church on any matters related to the safeguarding of Children, Young People and Adults at Risk and take the appropriate action when abuse is disclosed, discovered, or suspected.

Safeguarding Trustee

- **Diane Moore** (phone number as above)

The Safeguarding Trustee will raise the profile of safeguarding within the church and oversee and monitor the implementation of the safeguarding policy and procedures on behalf of the church trustees.

Minister for Safeguarding

- **Chris André-Watson** (07462 079 382)

The safeguarding minister will raise the profile of safeguarding within the church and oversee and monitor the implementation of the safeguarding policy and procedures within the church.

Where possible, the Church Safeguarding Team will work together if (and when) issues arise. However, everybody has a responsibility to report allegations of abuse as soon as they are raised.

Putting SBC's safeguarding policy into practice

- A copy of SBC's safeguarding policy statement is permanently displayed on a noticeboard in the vestibule and is available on our church website.
- Every paid member of staff and volunteer working with Children, Young People, and/or Adults at risk will have access to a full copy of the safeguarding policy and procedures and is expected to read and comply with them.
- A full copy of SBC's policy and procedures will be made available on request to any member of the congregation, or other person associated with the church.
- SBC's safeguarding policy and procedures are monitored, reviewed and amended (where necessary) annually.
- An annual report is presented to the trustees regarding the outcome of SBC's annual safeguarding review. This should also include details of new, open and closed cases.
- SBC is committed to supporting, resourcing, and training those who undertake this work. Level 1 safeguarding materials are shown annually during a church service. All Church workers (paid and voluntary) who work with Children, Young People and Adults at Risk should attend Level 2 Baptists Together Safeguarding training and have undergone a DBS check before they are able to work unsupervised to ensure that they have the knowledge and confidence to deal with any safeguarding issues that may arise.
- SBC is dedicated to providing pastoral care and support to those who have experienced abuse.

Confidentiality, Duty of Care, Sharing Information: Ministers and Trustees

SBC will maintain confidentiality at all times, except in circumstances where there may be a need for information sharing on a need-to-know basis. Information on individuals where there are safeguarding concerns will only be shared:

- on a need-to-know basis, and
- to achieve the necessary outcome; to safeguard an individual from harm.
- where there may be a risk to safety of an individual or others or risk management or potential legal action may require Trustees being informed

In order to protect the person at risk, they will be allocated an alphanumeric identifier. Their name will only be disclosed on a need-to-know basis. The Safeguarding team will decide when disclosure is appropriate.

This is known as the principle of PROPORTIONALITY. The amount of confidential information disclosed and the number of people to whom it is disclosed, should be no more than is strictly necessary to safeguard the individual at risk.

If a situation arises that may pose a degree of risk to the congregation, information should be shared with the Leaders, regarding the risk posed, as they hold corporate responsibility for the safety of those attending SBC. Full details may not be disclosed, but the information provided will enable the Leaders to make corporate decisions regarding assessing and managing the risk. E.g., the Leaders may not need all the details of a criminal record but should know that there is one and in what area and the risks this may pose. This hopefully would allow Leaders to understand the risks but keep the details as confidential as possible.

Where a safeguarding contract is required, the Safeguarding Team (Minister for Safeguarding, Designated Person for Safeguarding, Deputies, Safeguarding Trustee) should remain responsible for the risk assessment and formulation of the safeguarding contract. As per Baptist Together guidelines, the London Baptist Safeguarding Officer needs to be involved with the risk assessment and the advising/supplying of a suitable safeguarding contract. The completed safeguarding contract will be shared with the LB Safeguarding Officer before it is finalised.

The Safeguarding Team should keep the Leaders informed, in outline, of progress on the process. Once the above process is completed the safeguarding contract should be shared with the SBC Leaders. Once accepted/agreed the Safeguarding Team should manage both the risks and contract implementation. Most safeguarding contracts require a monitoring and review group to be established. This may or may not include other Leaders, depending on the expertise needed. Leaders will be aware of who is in the monitoring group. It may be decided that Leaders should approve this group. Contracts set out the frequency of reviews. Leaders will also need to be informed of any changes made as a result of a review.
